

THIRD ANNUAL
09.01.2018

PHOENIX CENTER FOR THE ARTS

The background of the central section is a photograph of a hand holding a pink balloon. The image is heavily stylized with a strong pink and red color cast and a soft, dreamlike focus. The hand is visible in the lower left, with fingers wrapped around the string of the balloon. The balloon is a vibrant pink and occupies the upper right portion of the frame. The overall aesthetic is artistic and evocative.
